PROFESSIONAL SUMMARY

Customer-facing professional with 2+ years of experience supporting sales, lead generation, and client relationship management across remote and international teams. Skilled in CRM and pipeline tracking, proposal and contract support, and multichannel client communication (email, WhatsApp, social media). Proactive, organized, and comfortable managing multiple accounts in fast-paced environments.

WORK EXPERIENCE

Techadem **Dec 2025 - June 2026**

Customer Success & Sales Enrollment Associate (Remote)

- Guided 800+ prospective and enrolled students monthly through programs, pricing, and enrollment requirements via WhatsApp, Instagram, email, and phone
- Handled inquiries, objections, and follow-ups, improving response time and conversion through the enrollment funnel
- Tracked leads, prospects, and enrollments using structured systems and CRM tools, reducing missed follow-ups and strengthening pipeline visibility
- Contributed to 350+ successful student enrollments during the six-month contract by supporting onboarding and resolving enrollment concerns, strengthening retention and satisfaction

Customer Support & Virtual Assistant (Freelance/Remote) **2024 - Present**

- Support sales and client-acquisition efforts for 3+ businesses by managing communication across 3+ channels (email, WhatsApp, internal platforms)
- Build and maintain organized lead and customer databases of 150 -200+ contacts monthly using Google Sheets and LinkedIn
- Track leads, conversations, and deal progress using CRM tools, improving follow-up consistency and forecasting accuracy
- Coordinate calendars and workflows for 7 executives, managing 5+ weekly bookings to keep sales and client priorities on schedule

YouNick Studio. **July 2024**

Business Development Lead & Outreach Manager

- Drove outreach and prospecting communication with potential clients via email and LinkedIn, supporting new business development
- Maintained consistent follow-up and engagement with prospects throughout the sales pipeline, contributing to client acquisition
- Built and maintained structured contact databases of 200+ leads using Google Sheets and Notion
- Supported onboarding for 25+ converted leads and ensured accurate tracking of interactions from first contact through conversion

JODAVI Media. **May 2025**

Client Support & Administrative Assistant

- Researched and organized 200+ potential clients in Google Sheets to support lead-generation strategy
- Managed outreach communication and follow-ups with prospects, contributing to 20+ leads progressing to onboarding
- Built lead-tracking systems that improved response time and reduced missed opportunities
- Supported content coordination and engagement on Instagram, helping convert audience interest into client leads
